

Sangudo and District Horticulture Club Sangudo, Alberta

Description: We are a group of gardeners from throughout the Lac Ste. Anne County area. We meet monthly to exchange ideas about gardening, take garden tours, and host a variety of speakers. The club started in late 1982. Members continue to carry out the Club's objectives to make the community a better place to live in and foster people's interest in horticulture. Our members have many years of gardening experience and we aim to share that knowledge and learning with gardeners of all ages and interests.

Where to find us:

- Sangudo, Alberta (75 minutes west of Edmonton). Sangudo Golden Club, 4927 - 50th Avenue, Sangudo
- Meet the 4th Monday of most months, January-April, September-November, 7:00-9:00 PM
- Facebook @ Sangudo and District Horticulture Club
- Heather Thompson PH 780-785-2171 | SangudoHortclub@gmail.com

Activities:

Monthly guest speakers on a wide variety of horticultural topics; summer tours to greenhouses, members' yards, and horticultural attractions; host an annual Gardeners Day in late January; spring plant sale in conjunction with the community garage sale; photo contest; annual bulk purchase of The Prairie Garden with three other garden clubs. Published a cookbook in 2020- From Our Gardens to Your Kitchen.

Community projects:

Each May club members work with community members for a spring clean-up of a local parks in Sangudo and at the seniors' club and planting containers on main street.

Alberta Horticultural Association Affiliate- District 5
