

EDUCATION PROGRAM

The education program is designed to encourage qualified speakers to travel to different affiliated societies to speak on various topics. An affiliated society may request one speaker per year by writing to their respective AHA District Rep.

Requests for speakers must be made BEFORE the event.

PUBLIC RELATIONS

A quarterly newsletter is the vehicle by which the services of the AHA are promoted to affiliates and individual members.

The newsletter is also used to facilitate exchange of information between affiliates and individuals of the Association. Anyone wishing to contribute articles or club information should contact one of the District Reps or Executive members

DISTRICTS

The AHA has divided the province into "districts," each with a representative on the Board of Directors. District Representatives are a liaison between Affiliates and Individual members and the Board of Directors. Any Executive member or District Representative can tell you who your Representative is.
